“SINCE TAKING OFFICE I’VE BEEN REALLY STRUCK BY HOW WELL-POSITIONED WOLVERHAMPTON IS FOR THE REGENERATION STORY.”[1]

—ANDY STREET,
MAYOR OF THE WEST MIDLANDS

The wonders of Wolverhampton

It’s already one of the
top 10
fastest-growing cities in the country.[2]

With
50,000
graduates on its doorstep[3]

learning their trade
at the UK's **2nd**
most employable university.[4]

We're by your side

We've invested over
£2.5m
in the city centre.

and currently connect
3,900
premises.

Plus...

...we're the chosen supplier for the West Midlands Public Services Network – helping key services stay connected so they can work together and drive greater efficiency.

Healthcare

Fire

Police

Local Government

What if...

32,000

fans at Molineux Stadium had access to ultrafast, secure public Wi-Fi connectivity?

8,000

members of staff at The Royal Wolverhampton NHS Trust sector could access the digital tools to connect multiple sites through a secure network?

120

hectares of land at the Black Country Enterprise Zone could act as a testbed for new digital solutions – helping attract even more high-tech businesses?

LET’S MAKE IT HAPPEN, WOLVERHAMPTON!

Together, we can help Wolverhampton become an even smarter connected city for the people, the businesses and visitors from all over the world!

We’d love to hear what you’re doing in Wolverhampton and support your digital strategy.
