As part of the Re*Generation project, Virgin Media has chosen The Foyer Federation as their charity for 2008. Foyer support more than 10,000 homeless 16 to 25 year-olds each year, giving them a chance to realise their full potential. They enable young people at risk to escape the 'no home-no job-no home' cycle by delivering a holistic service that integrates accommodation with training, job search, personal support and motivation. Please visit their website at http://foyer.net/mpn/ for more information.

*UK TAX PAYERS, please complete all columns to make your donation eligible for Gift Aid. **The Foyer Federation** can claim an extra 28p for every £1 donated. This is at no extra cost to you and no personal information is kept on file or passed on to anyone other than the Inland Revenue. Please provide your home address, not places of work, and that the gift aid box is ticked.
