## Control presentations or capture photos like never before

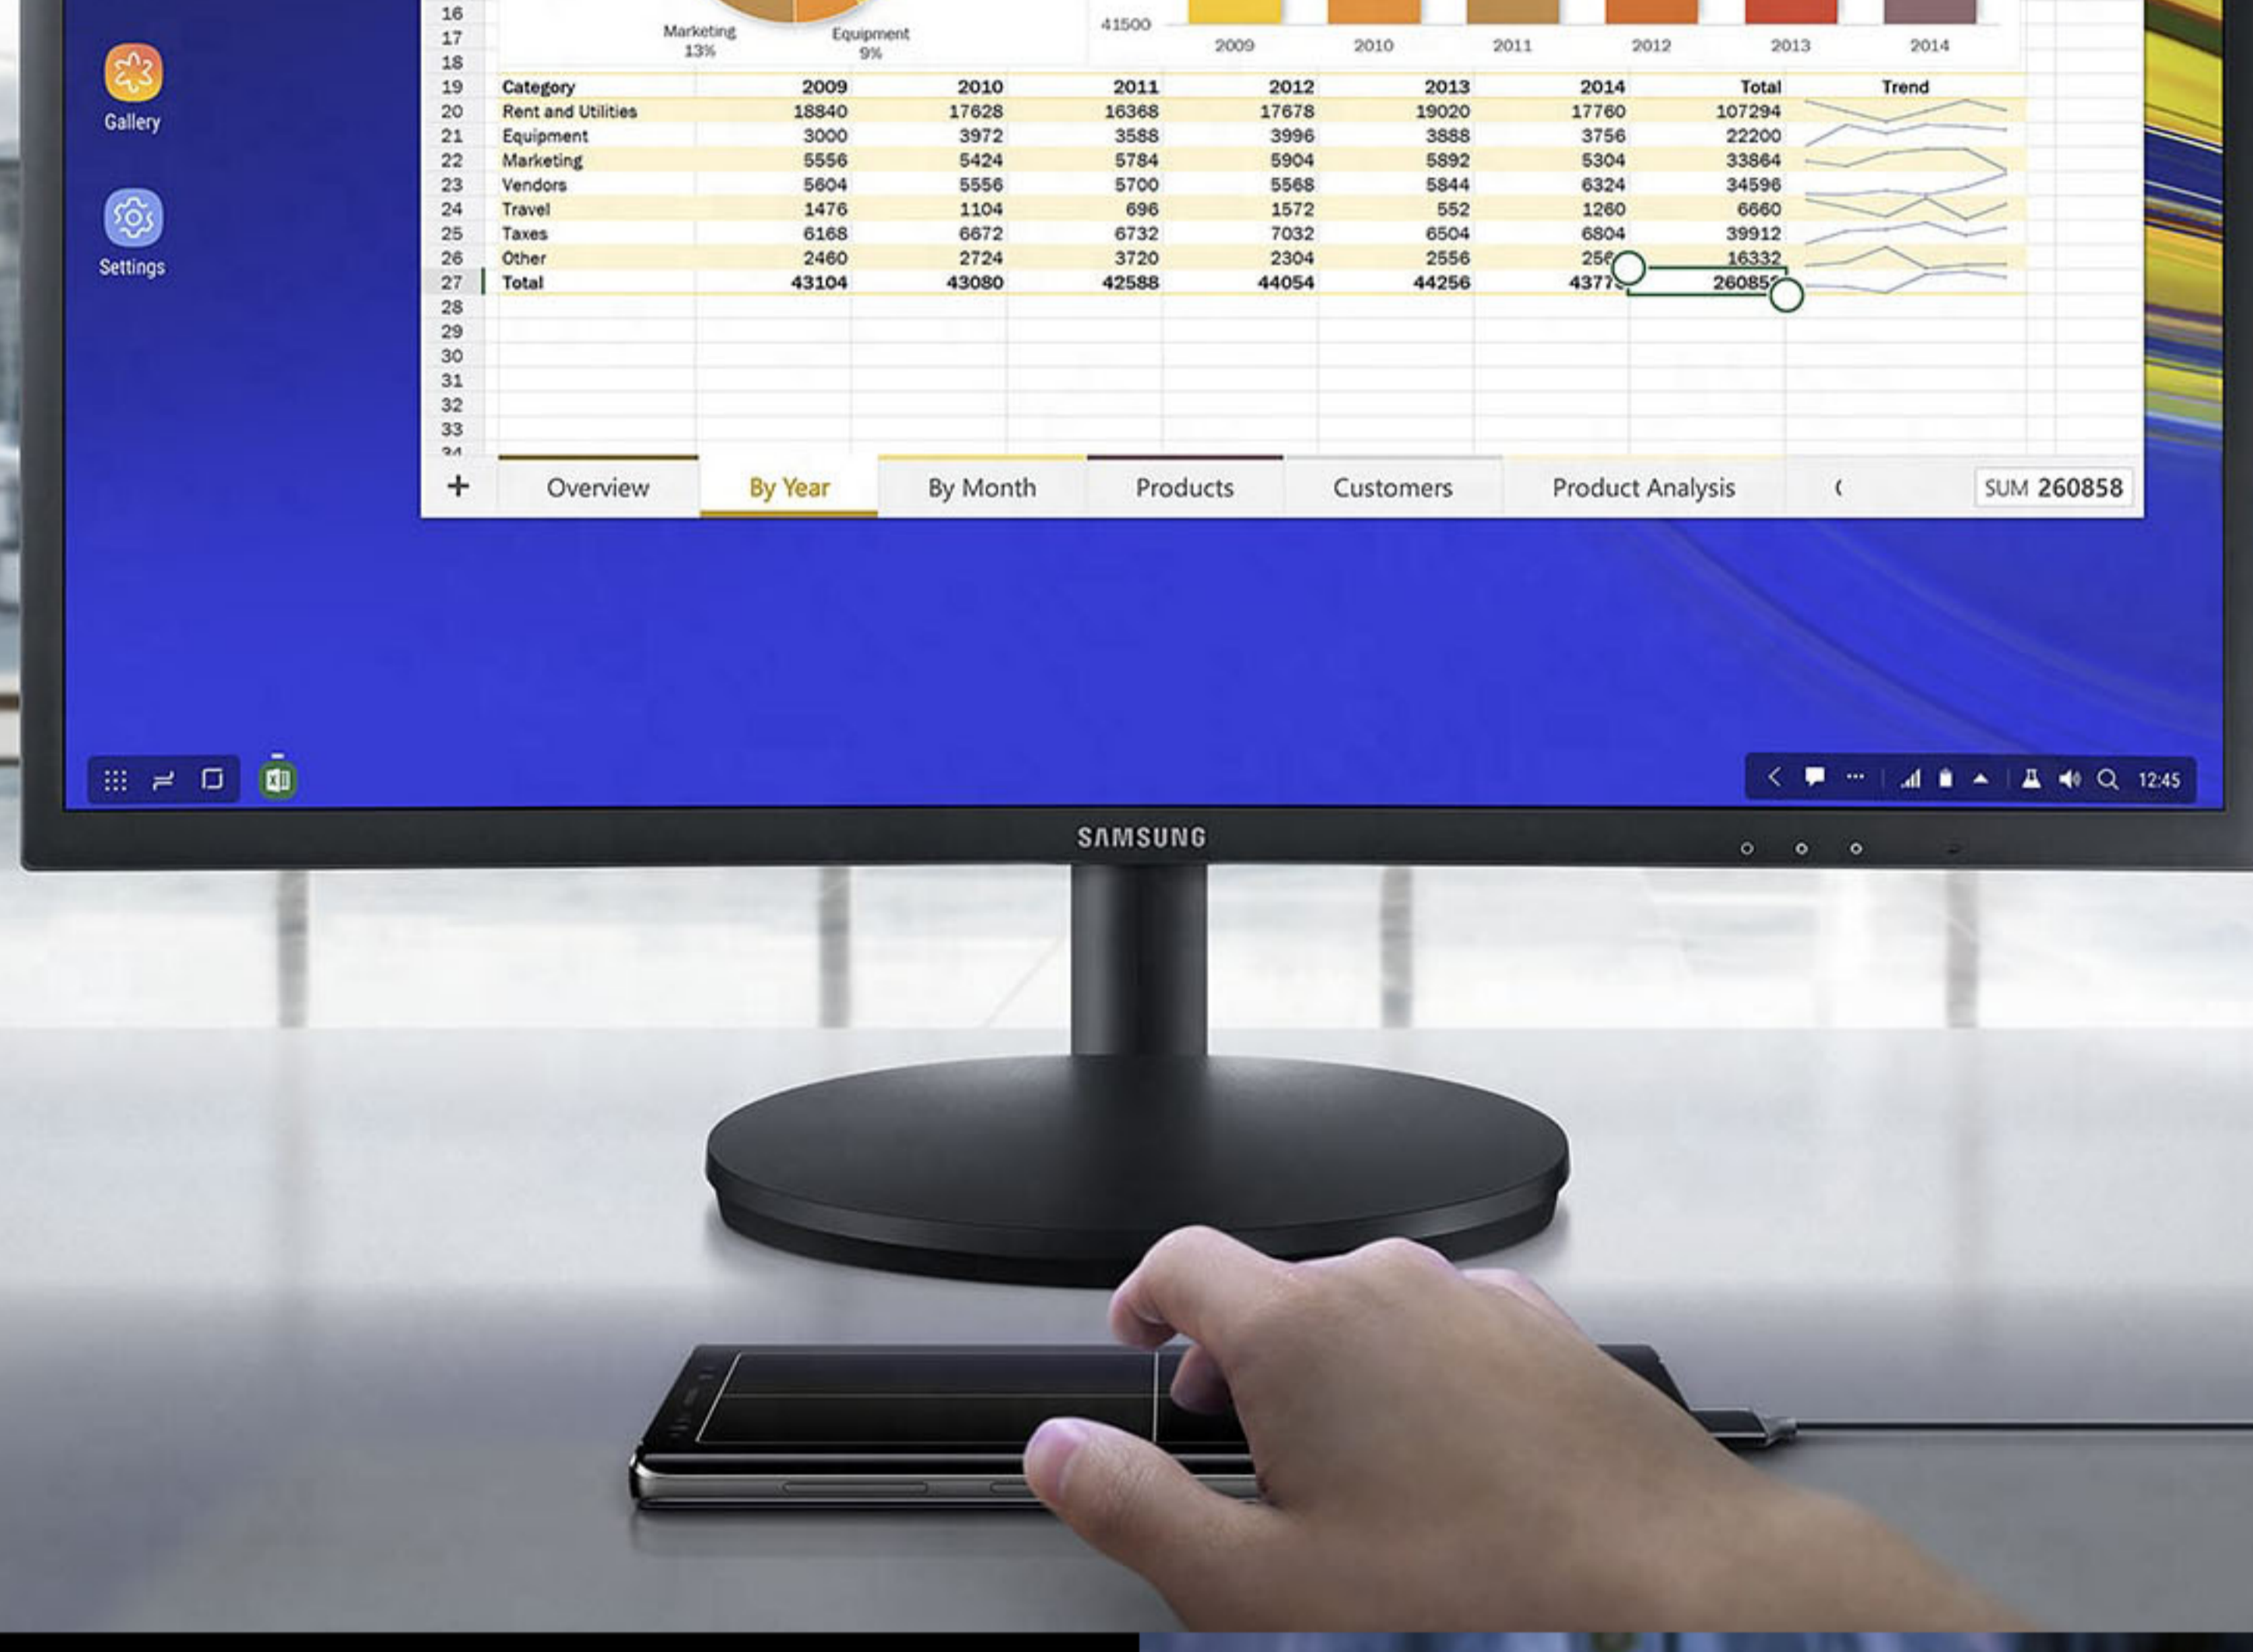

The redesigned S Pen is the ultimate extension of your team. Not only can they capture ideas quickly and sign contracts, they can use the S Pen to control presentations and capture photos thanks to its Bluetooth capabilities.

## It's a phone and PC in one

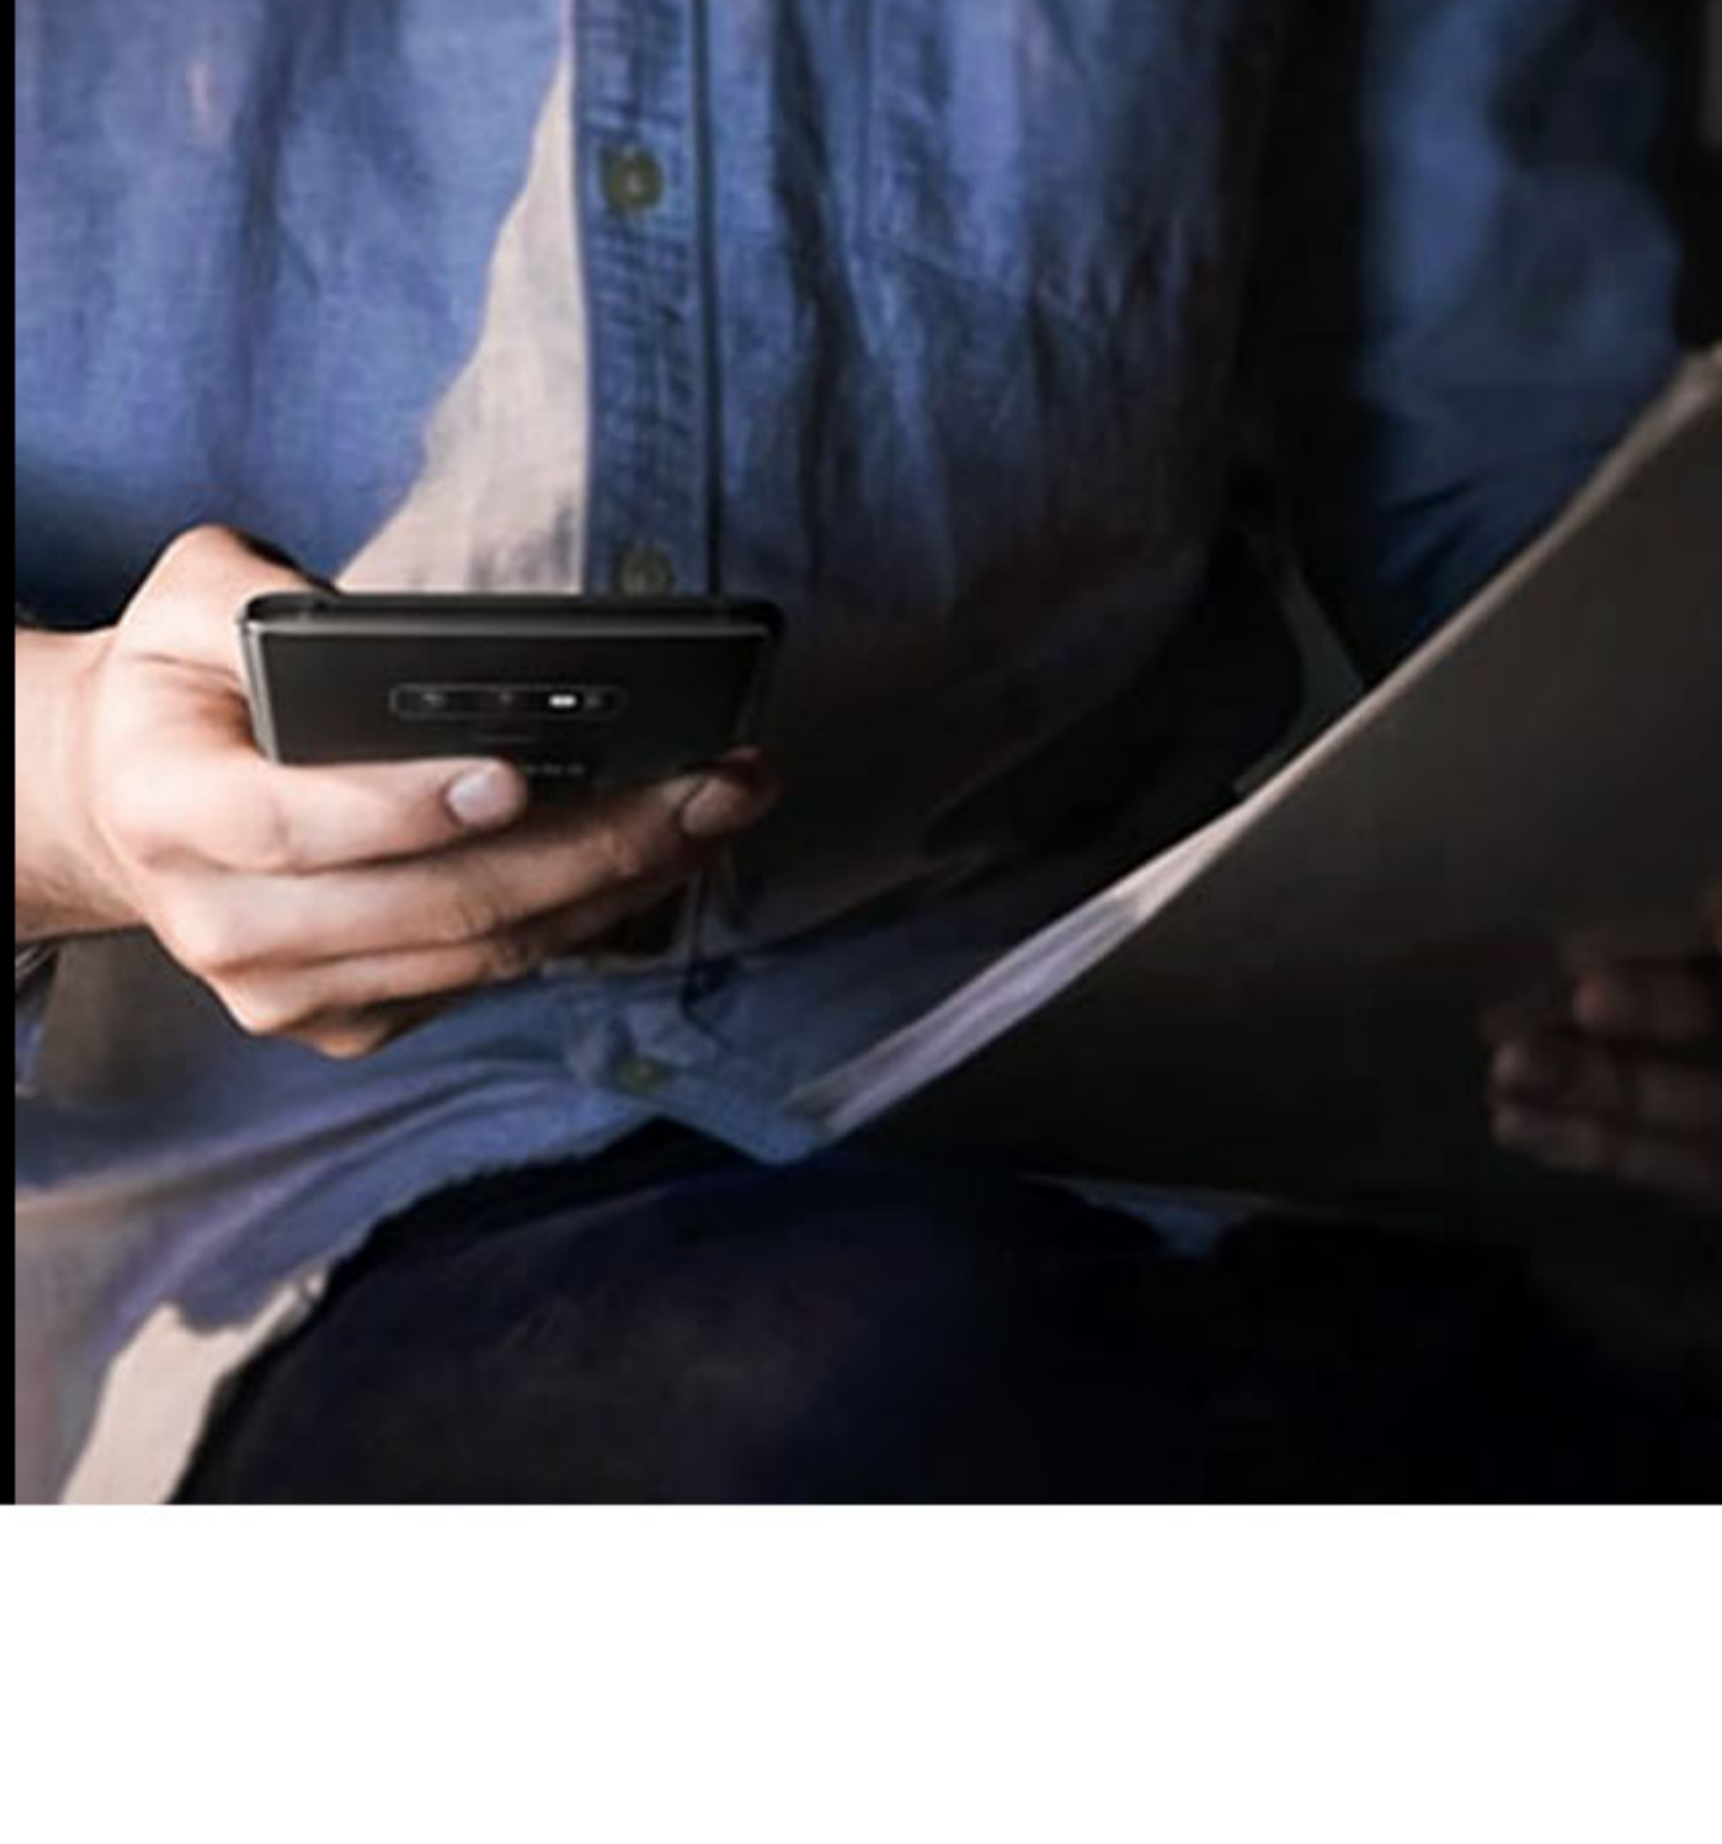

Enjoy the improved Samsung DeX by directly connecting your Galaxy Note9 to a monitor with a single cable\* for a PC like experience. Access a world of apps and documents designed to let you work like you do on a PC.

\*HDMI cable and accessories sold separately.

## Our most powerful battery takes you further

The Galaxy Note9 is up for whatever you are. Whether you've got back-to-back meetings or are heading off to an airport without a socket in sight, the Galaxy Note9 can keep up with your always-on lifestyle.

## Defence-grade security from the chip up

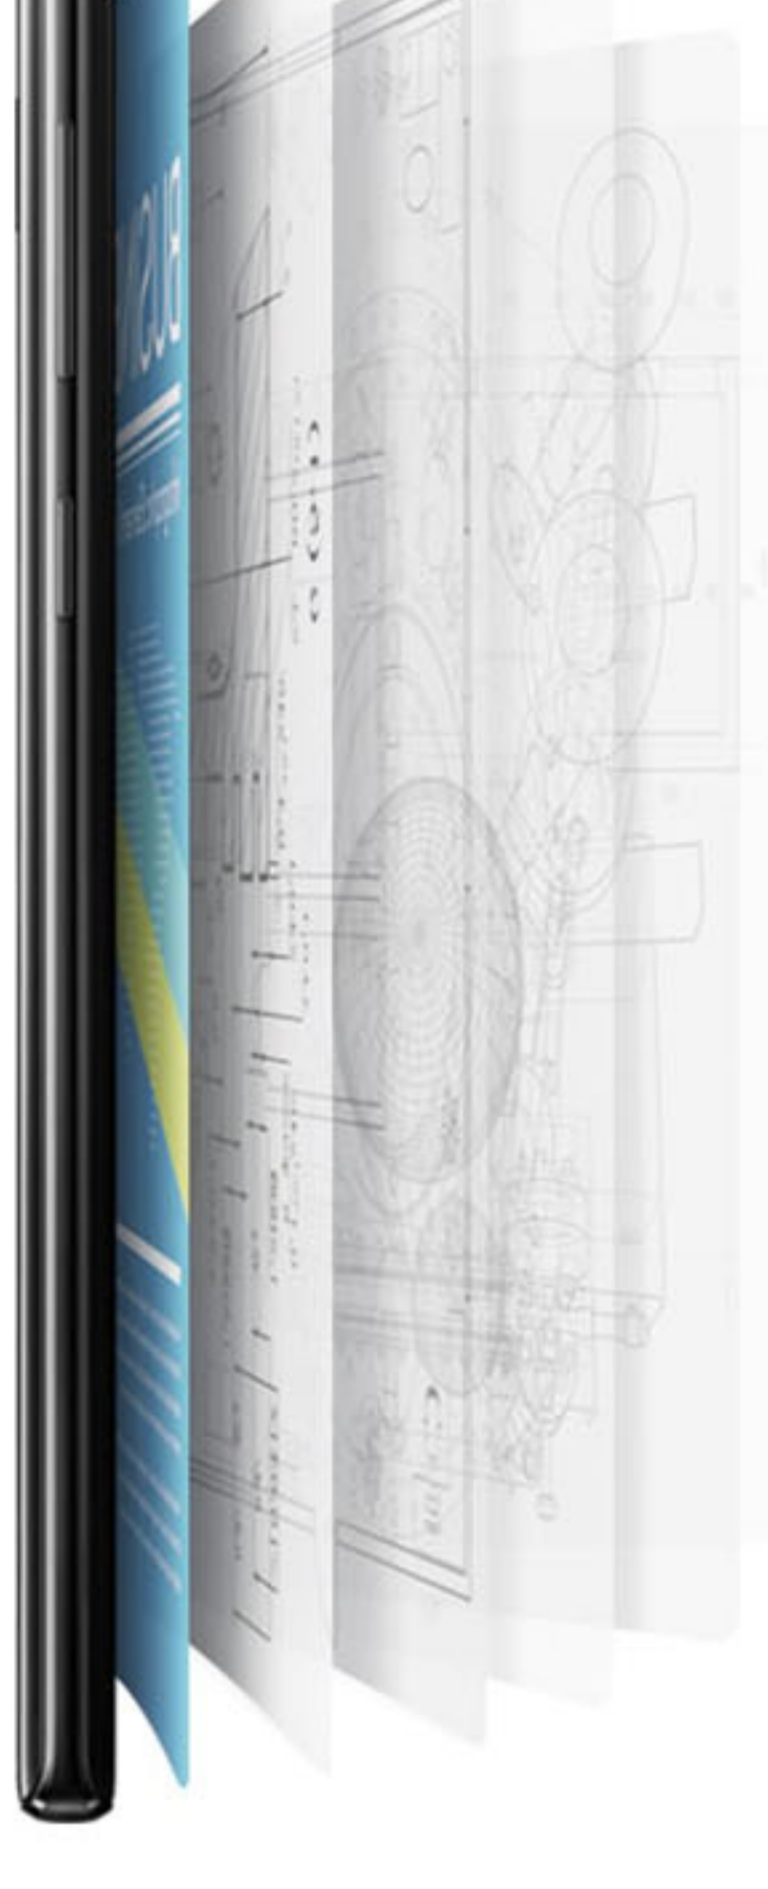

The Galaxy Note9 is protected by Knox, a defence-grade security platform built from the chip up. No matter where you and your team go, you can be sure your business' data stays secure with superior protection that's easy to manage.

## Store more, delete less

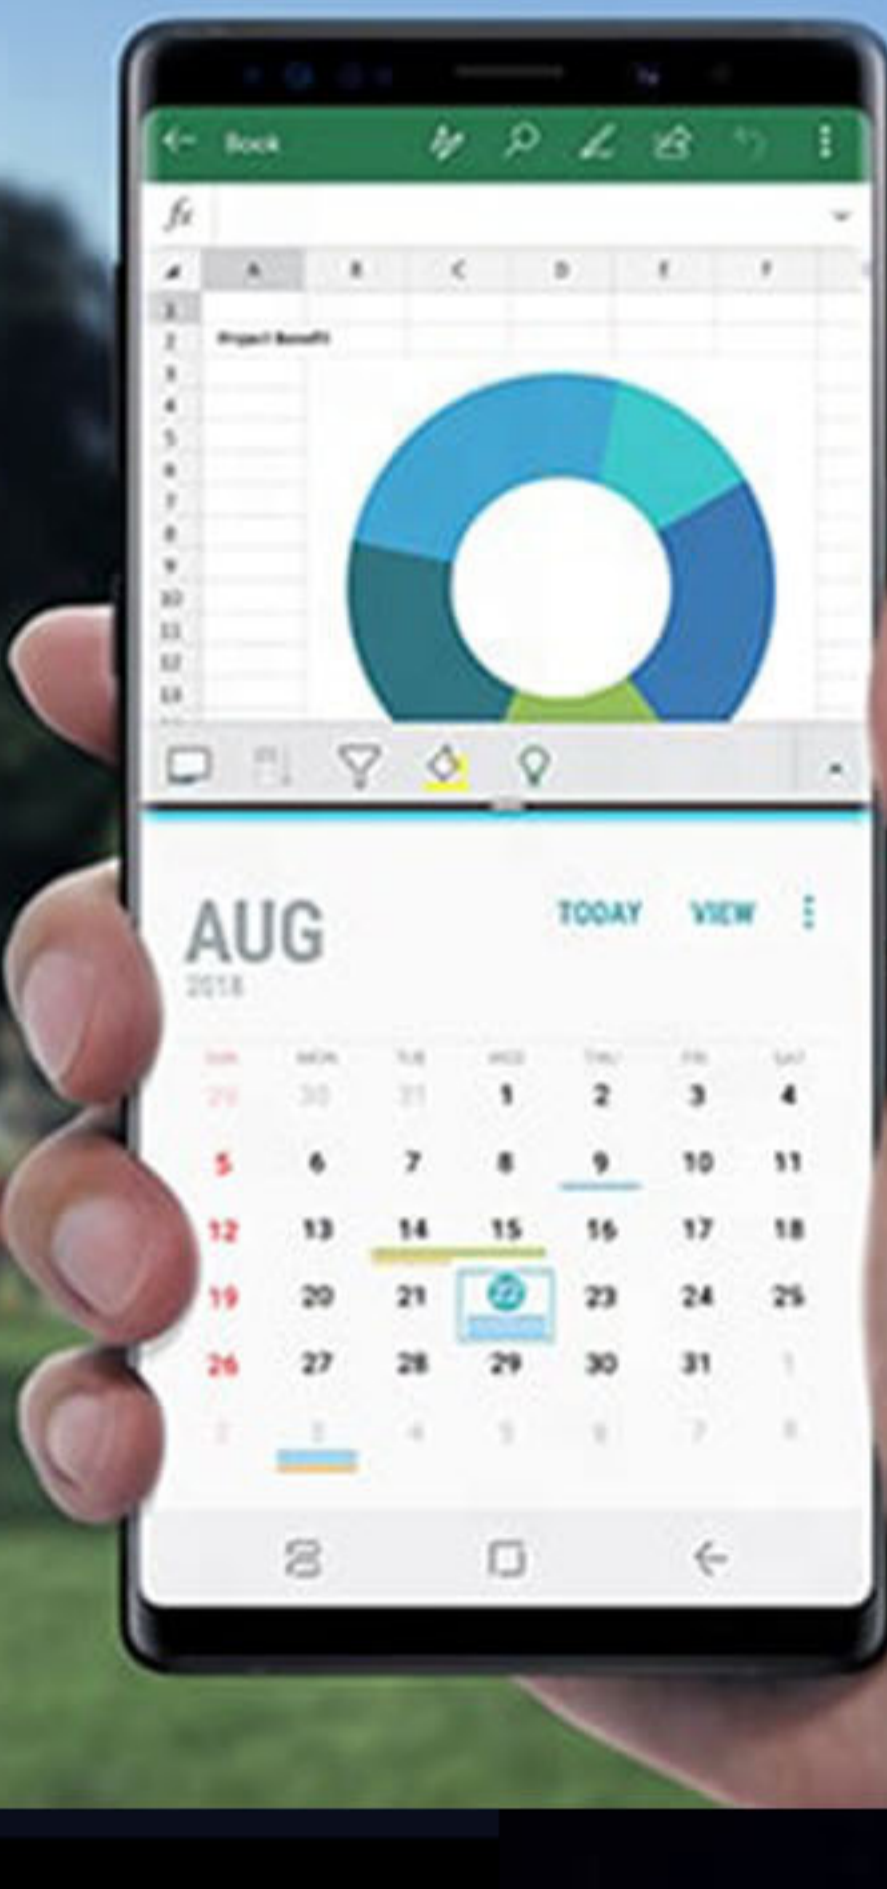

Give big ideas the space they need to help grow your business. Download, capture and create more with the Galaxy Note9's built-in 128GB storage. Your big ideas have even more space with the 512GB model. And with 512GB expandable memory\* being 1 terabyte ready means you'll struggle to run out of room.

\*Micro SD sold separately. External memory may be used to store media (photos, video and music files), but not applications.

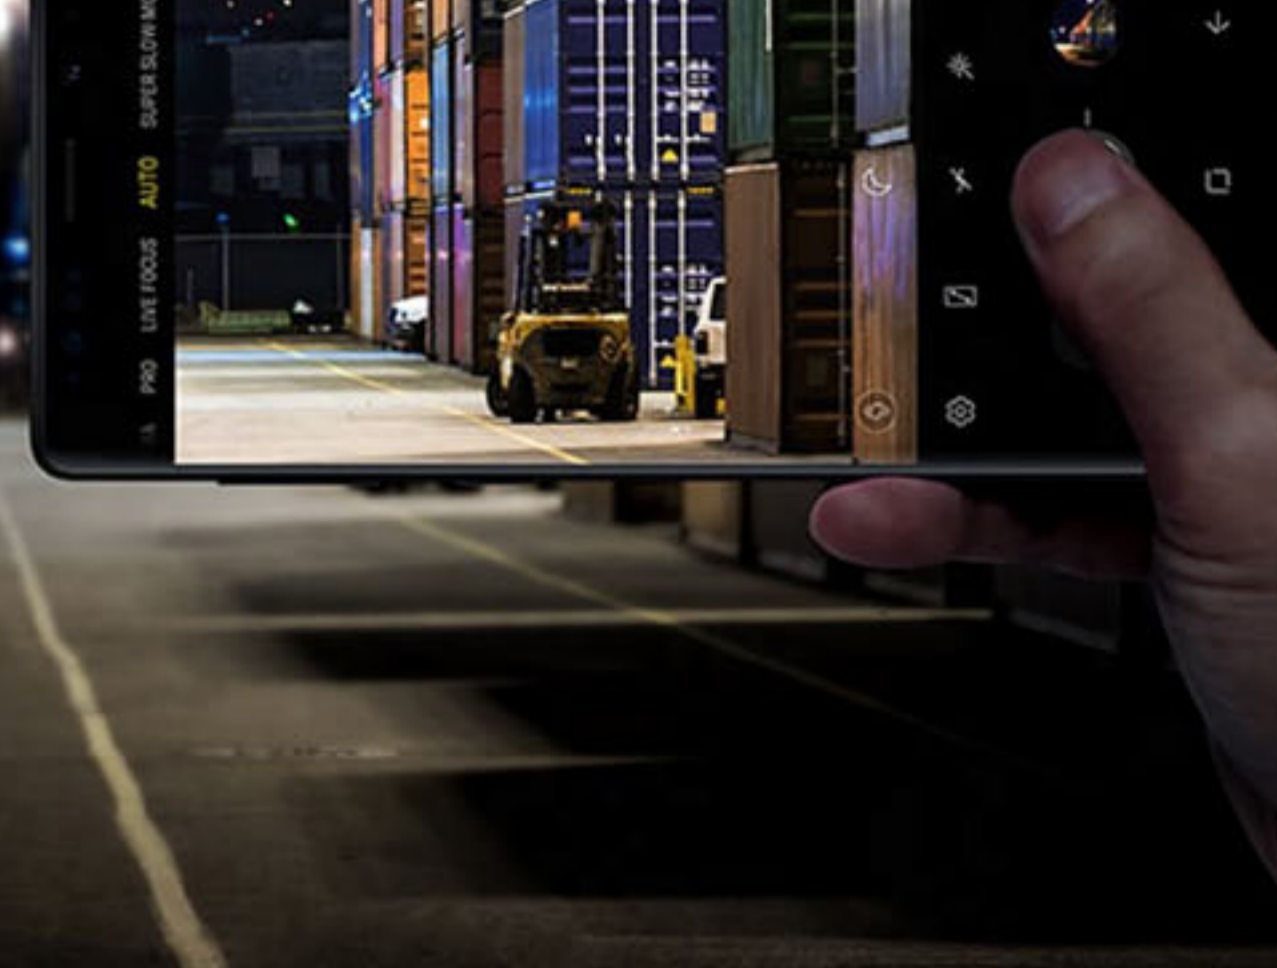

## Our largest ever Infinity Display

The Galaxy Note9's 6.4" Infinity Display lets you see and do more. Its large screen makes it more immersive than ever, whether streaming videos, editing documents or multitasking between apps. The possibilities are infinite.

## Capture the best of work and play

Shoot like a pro with our most powerful camera ever. The Dual Aperture adapts like the human eye, adjusting to any light so you and your team can get the right image, day or night. Plus, Scene Optimiser and instant Flaw Detection makes it almost impossible to take a bad shot.

## Built to withstand almost any business situation

Give your team the freedom to go wherever their work takes them. Inside, outside, dusty or wet, thanks to IP68 water and dust resistance\*, the Galaxy Note9 is built to withstand whatever life throws at it.

\*IP68 water resistant up to 1.5 metres for up to 30 minutes. Rinse in fresh water afterwards.
