**subject to the RLH fair use limits*

However, if you exceed our fair use limits*, we might need to charge you the following surcharges:

Making a call: 2.5p per minute (excl VAT)
 Sending a text: 0.83p per message (excl VAT)
 Data**: £5.07 per GB (excl VAT) and charged by KB

EU Policy (as of 1st January 2018) :

EU data wholesale capped rate: £5.07 per GB (ex VAT)

*see below for further details & also in accordance with Virgin Media Business Acceptable Use Policy within our Mobile Terms & Conditions
 **see also Data Cap Limits & Inadvertant Roaming

Inadvertent Roaming*

If you are using your handset in a location in the UK, which is close to the border between the UK and another country, your phone may connect to a network in that other country. You will be charged at roaming rates for that usage. To prevent that occurring, you should take care to note the network to which your handset is connected when in those areas, before using the handset. Alternatively, you may be able to disable roaming on your handset or you may contact us and we can disable roaming for you.

Data cap limits

We'll cap your data roaming usage at £42.50* (unless you tell us otherwise), and text you when you've hit 80% of your roaming usage (£33.33*), and another when you've hit your limit.
 *These figure above are ex-VAT.

MMS

Sending an MMS (picture message) will cost 33.33p (excl VAT)

****The same could also happen when abroad on the border of one country to another country. The network border issue is not just particular to the UK borders.**

Roam Like Home - Fair Use Policy*

When we say EU* we mean the 28 member states of the European Union (excluding the UK).

*Countries in the European Union for RLH :

Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, French Antilles, French Guiana, Germany, Gibraltar, Greece, Guadeloupe, Hungary, Iceland, Ireland, Italy (including Vatican City), Latvia, Liechtenstein, Lithuania, Luxembourg, Madeira, Malta, Martinique, Mayotte, Monaco, Netherlands, Norway, Poland, Portugal, Reunion Island, Romania, Saint Barthelemy, San Marino, Slovakia, Slovenia, Spain (including the Canary Islands), Sweden.

In any rolling 4 month period, you must use more data, SMS and calls in the UK than the EU – we call this "prevailing domestic consumption"; OR:

In any rolling 4 month period, you must spend more days in the UK than the EU – we call this "prevailing domestic presence" (we count each day you connect to our network in the UK as a day in the UK).

Inside the European Union

You can now use your UK data allowance with Roam Like Home. This means that while you're travelling in an EU country you'll be able to use data just as you would in the UK subject to fair use limits. If you don't have a data allowance, or your allowance has run out, you can still use mobile Data wherever you are in the EU and pay no more than you would in the UK, subject to fair use limits. Plus, we'll cap your roaming usage at £42.50 (excl VAT).
